Whittaker, Carolyn 859.792.2648	<i>Garrard County Cooperative Parish</i>	
Wilson, John 859.792.3531	<i>Garrard County Judge Executive</i>	The Fiscal Court has been extremely busy the last few months, and things seem to be picking up. Recently, we just finished assisting the City of Lancaster with preparing the land for the 5-Star City Park, and with their drainage problems under the future Stuart Powell Ford Dealership property that sometimes would flood Richmond Street. We will soon begin work on the dugouts at the Jaycees Ballpark through a grant we received, and are proud to announce today that, working with Elleman Contracting and John Moore, we will replace the shingles on some of the structures at the park and will be rebuilding two of the fields as well. Also, today, we submitted a grant asking for 100,000 for new recreational opportunities in Paint Lick. Finally, we are pleased to report that the Garrard County Police Department is doing well, with drug prosecutions on the rise. We are actively trying to make a difference here and working around the clock with the City of Lancaster to improve the quality of life in our community. It's a team effort!
