<p>Hatfield, Wendell 859.792.4786 (office) 859.792.3023 (24 hr. emergency)</p>	<p>Garrard County Emergency Management</p>	<p>March is Severe Weather Preparedness Month https://www.facebook.com/garrardcountyemacsepp/posts/1772877649399343</p> <p>The Garrard County Emergency Management Agency urges everyone to be vigilant and alert to the weather conditions during the yearly tornado season in our Garrard County in the Commonwealth. Please have an EMERGENCY PLAN and be weather aware during favorable conditions for tornadoes. Garrard County experienced an EF-1 tornado just this past weekend. The tornado this past weekend spawned almost instantaneously and only lasted about 6-10 seconds but created havoc and a tremendous amount of property damage in a very small area.</p> <p>These types of tornadoes that spawn quickly within or embedded in storms are very difficult to forecast and to give enhanced ample warning to the population. They can strike almost anytime and anywhere. Garrard County experiences these types of tornadoes often, but fortunately there have been only a minute amount to strike populated areas.</p> <p>The best source for enhanced warning is a weather radio and to be alert of pending severe weather conditions. BE WEATHER AWARE AND HAVE AN EMERGENCY PLAN.</p>
