The GCSAR TEAM is comprised of entirely by volunteers, and many of the volunteers are volunteer fire department personnel. For many years the volunteer fire departments have provided and performed search and rescue activities within our community. Kentucky Revised Statutes supplemented by Kentucky Administrative Regulations revealed that our community and individual fire departments were not in compliance with many of the laws and regulations that govern search and rescue. All the jurisdictional fire departments along with Emergency Management officials working in concert with the City of Lancaster, Garrard County Fiscal Court and Kentucky Division of Emergency Management developed bylaws, standard operating procedures and agreements to officially begin service earlier this year. All the changes will be seamless and will greatly benefit our community.</p> <p>The Garrard County Search and Rescue Team looks forward in serving Garrard County. Donations are welcomed and very much needed. If anyone wishes to donate, please contact Emergency Management at (859) 792-4786. Volunteers are needed as well.</p>
