

Tiny Homes and Pre-manufactured Buildings used for dwellings Affidavit

The owner/builder is acknowledging the structure built and or being placed was not intended for a single family dwelling . The owner/builder has read and understands the intent of the County Ordinance and accepts complete responsibility for the dwelling including the foundation system, structural integrity, safety and quality. The owner/builder acknowledges that the structure for all practical purposes is a mobile home and is subject to any and all restrictions set forth regarding mobile homes, modular homes and trailers. The structure is also subject to any Planning and Zoning regulations.

The owner/builder acknowledges full responsibility for the proposed structure herein and hereby completely and fully indemnifies the Garrard County Building Inspector, the Garrard County Fiscal Court and/or any and all Garrard County employees of any liability whatsoever for any issues arising out of the construction, placement or habitation of said structure.
